

Waimea Trails and Greenways

MEETING NOTES

July 9, 2007

PRESENT: Clem Lam, Tommy Sing, Lynn Taylor, Leningrad Elarionoff, Laura Dierenfield, Jim Lutter, Peggi Kamisato

1. Parker Ranch agreement - James said Diane Noda sent easement documents to Riley Smit but Kaz noticed there were some numbers wrong that Alan Okamoto has to clear up.
2. Laura said she will contact Thomas Noyes, on Friday about the Kauai Trail.
3. Name of the trail - Leningrad talked to Larry Kimura about the trail name. He said Ke Ala Kahawai O Waimea would be a good name for the trail. We could use a short informal version of Ala Kahawai. Laura will talk to Kepa Mali also.
4. HPA: Green fest was quite successful. Thanks goes out to Laura, Jim, Avi, Lynn, Tommy, Clem, Jim Bell and Celeste for manning the booth and talking with people about the trail. We gathered 23 signatures of trail supporters. We also sold 4 tee shirts.
5. Schedule - James said he would work on a schedule once we get the Prefinal drawings from the consultant. We think this is extremely important so we all know who has to review the drawings and how long each entity has to review them.
6. Jim brought up a question about the trail behind Magoon's where the tall trees are and if the Consultant is going to do a concrete trail on the ground or a raised trail to avoid cutting all the tree roots. I think the trail alignment is going to be worked out in the field to snake the trail around trees as much as possible and cut trees that are dead or not full trees.
