

Waimea Trails and Greenways

MEETING NOTES

October 15,, 2007

PRESENT: Clem Lam, Tommy Sing, Lynn Taylor, Peggi Kamisato, Avi Okin

1. Waimea Outdoor Circle

Clem talked to Victor Obrastroff of the Outdoor Circle and got some mixed messages about what the Outdoor Circle would accept - for example he said he would prefer asphalt but other people in our September meeting accepted concrete. Besides the OC didn't want asphalt because of the leaching of oil into the stream.

Victor suggested that we meet with him. It would be better of course for James (representing the County) and Kaz to meet with him, but we supposedly have already done that.

The question is who speaks for the Outdoor Circle and what can we rely on?

2. Parker Ranch - need to get signatures on the documents.
3. Fencing at Canada France - Rick Salmon got back to Clem saying that they don't need fencing but would like to see some kind of demarction just so people would know there is a trail and to stay on it.
4. Lodge - Clem called Daniel Chung and agreed to mark the trail in ribbon and email it to him so he can show it to Janna. Clem and Avi will do this on Thursday morning at 10:30.
