

Waimea Trails and Greenways

MEETING NOTES

October 22,, 2007

PRESENT: Clem Lam, Tommy Sing, Lynn Taylor, Peggi Kamisato, Avi Okin,
Leningrad Elarionoff, Laura Dierenfield

1. Waimea Outdoor Circle

Leningrad talked to Victor this weekend who said that the OC does not want to impede the trail and if any of their demands are too great to overcome, they will step back.

We need to get the Memoradum of Understanding that the County can live with before the Outdoor Circle changes mind and leadership.

2. Parker Ranch - need to get signatures on the documents - James - can you follow up on this? The County needs to sign, Parker Ranch needs to sign.
3. Lodge - Clem and Avi photographed and taped the easement and sent photos to Daniel. He said he will put this into a report to present it to Janna, the Trustee.
4. Leningrad thinks we should go ahead with printing tee shirts with the new name of the trail, Ke Ala Kahawai O Waimea. We thought it should include Waimea Trails and Greenways so people can make the connection. There should be a message to BUILD! the trail and it is meant to be a PR thing to get people fired up to support and demand the trail. More about this next week.
