

Waimea Trails and Greenways MEETING NOTES

July 27, 2009

PRESENT: Clem Lam, Avi Okin, Peggi Kamisato, Leningrad Elarionoff

1. Parker Ranch fencing - Brandie Beaudet has not returned a call about the electric fence. Clem left a message asking why couldn't Parker Ranch have us put the fence on their side but still retain the land?
2. Mazie Hirono came out with a flyer showing that \$600,000 from Fed stimulus money is going to WT&G. It depends on us being on the STIP - Peggi to check if we have made the list and will write to Hirono. Avi will also write to Hirono.
3. Cutting of trees - Mike Kraus has made quite a stir with his notification to the Outdoor Circle that 300+ trees will be cut. We have not heard back from OC on a date for a meeting to discuss these trees with Kraus. It was suggested that if the Outdoor Circle is opposed to cutting so many trees, if they would assume the liability and responsibility for them.
