

# Waimea Trails and Greenways

## MEETING NOTES

March 15, 2010

PRESENT: Clem Lam, Avi Okin, Leningrad Elarionoff, Peggi Kamisato,

1. Review of consultant (Kimura International) Schedule:
  - March 15 was to be a meeting with WT&G to show the preferred trail - where is the consultant on this?
  - March 16 is a meeting to present to the public - this has been scheduled for March 24
  - By today's date alternative routes and stream crossings were to be identified.
2. Distribution of flyers
  - Leningrad has passed them out at Hawaiian Homes at the end of Ahulani street off the Kawaihai Road. He will distribute to Outdoor Circle, Ahuli Circle and other Hawaiian groups
  - Peggi will distribute to Keck and CFHT and her neighbors
  - Clem will go to Sandalwood subdivision and pass them out. Will give one to Carolyn Stewart
  - Avi will distribute to businesses in town
3. Parker Ranch fence and next work day was discussed. Having the fence on Parker Ranch side of the stream would be ideal but may mean rewriting the easement docs. Leningrad thinks some pressure could be brought to bear. Right now we will let it sit. The next workday is important to open up trail for use and to continue the enthusiasm.
4. April 4 - Leningrad is organizing an Easter Sunrise Service at the Nature Park - 6 am.
