

Waimea Trails and Greenways MEETING NOTES

June 28, 2010

PRESENT: Clem Lam, Peggi Kamisato, Leningrad Elarionoff, Tommy Sing

1. James Komata said he has talked to Galen Kubo about putting the Waimea Trails and Greenways back on the 2011 STIP so we can qualify for federal enhancement money.
2. David Imata estimate for construction of Increment 1 is \$7.25 million.
3. James said he is trying to convene a meeting in mid July between County forces who are related to the Trail to get on the same page. He said he will inform us of results of the meeting.
4. Bobby Command - have not heard back from him yet on Corp Counsel's decision on Parker Ranch offer to install temporary fence on their side of Waikoloa Stream so we can have a work Day.
5. Work day - we would like to do it in September but fencing is required to be installed between Opelo Road and Kahawai Street. Leningrad said we have lost our opportunity to use heavy equipment that was temporarily in the area.
6. Clem called Mary Ward (Pako Subdivision) to thank her for her comments regarding the alternative routes through their subdivision.
7. Clem talked with Leslie Kurisaki about alternative routes to be included in the assessment - along the farm lots and along Keaunuiomano Stream.
7. next Monday is a holiday, we will meet the following.
