1. Parker Ranch agreement ask Bob Fitzgerald if he has signed it.  
- Gates at Kahawai Street how is this addressed in the agreement
2. Lalamilo Research Station fence - County procurement process - Fitzgerald was going to put James Komata on this - what is status.
3. Kahawai Street ownership - we will assume that Parker Ranch owns this
4. West end of Sandalwood and the Parker Ranch easement - we still do not have a way of crossing over to the State lease next to the transfer station - the County needs to work on this.
5. Leningrad - has been voted to be the Work day coordinator and will start to organize that effort.
