

Waimea Trails and Greenways

October 11, 2010

Present: Clem Lam, Peggi Kamisato, Leningrad Elarionoff

1. Parker Ranch fencing - Bobby Command said that he has to get a signature on the agreement but does not see any problem with it. He should have it in 2 weeks.
2. Kanu fence through Lalamilo Research Station - Bob Fitzgerald said it is the next thing on James Komata's schedule.
3. NEPA EA conclusion and public information meeting - scheduled for November 4 at the last yearly meeting of the Waime Community Association. Bobby says this is a go and will get in touch with Kimura International to make the presentation.
4. Web site - Ben Discoe is leaving and Peggi Kamisato will talk to Ben about her taking over the web site. She will also talk to Laura about seeing how it can interface with PATH.
5. Leningrad will try to get the tree book by Mike Kraus from the Outdoor Circle so Clem can see how many trees will be left.
