

WAIMEA TRAILS AND GREENWAYS MEETING NOTES

April 18, 2011

PRESENT: Clem Lam, Tommy Sing, Peggi Kamisato, Leningrad Elarionoff,

1. April 22 Earth day work party by HPA 7th graders
 - 36 students, 8 adults
 - Work from 10:30 to noon
 - Meet at the end of Kahawai Street, Clem will open the gate and we will park inside
 - Work in the area where we had lunch during the big Kris Kopra chipper day and clear that area fo small twigs and vegetation.
 - Clear the area between Kanu O Ka Aina and the Parker Ranch area that is impassable at present except for a small opening and make it 8 to 10 feet wide - the debris should be hauled to the dump.
 - pull castor beans coming up
 - Magoon's spreading chips on that end of trail if it works out. This will take a team of 12 or so.
 - Tools needed - rakes, shovels, wheel barrows, picks, loppers, gloves.
2. Web master - Ben Discoe and Peggi will work together to come up with a domain for the trail
3. Flyer response has been coming in and it has been overwhelming - Laura says this Friday we should have all responses in so the article can be put together and to the newspaper for a May 5 publishing
4. Big community work day. Seems like we should shoot for August or September to get enough planning time and avoid absences by school being out.
 - Stream clearing,
 - Fence alteration at Kahawai - and no parking signs
 - Chipping debris pile up
 - lunch
 - tee shirts
 - media
 - work organization
